The mission of AHSAA is to promote and support opportunities and programs for the benefit of the students at Anaheim High School. We invite all Colonists who have walked the halls of our beloved alma mater to lend their support to this great and noble undertaking. Anaheim High School has a proud legacy and tradition that should be celebrated by the past, shared with the present and passed down to future generations. The goal of this association is to bring us together and allow Colonist alumni to once again show their *SPIRIT, PRIDE* and *TRADITION* and *"fight for Old AU!!!"*

SPIRIT — The Colonist Spirit Award is a scholarship presented annually to a student who displays a well-rounded background in academics, extra-curricular activities and pride in being a Colonist. The AHSAA will also be facilitating the Bud Fassel Memorial Scholarship on behalf of his son, Jim Fassel.

PRIDE — The AHSAA plans to actively promote Colonist pride by supporting campus improvement projects. Be a part of the changes going on at Anaheim High School. There are many facilities that need improvement and Colonist Alumni support can make a huge difference.

TRADITION — An effort to perpetuate Anaheim High School's rich history by preserving memories and honoring its outstanding alumni through an annual Hall of Fame program. Anaheim Alumni can play a big part in making sure our traditions are kept alive and passed down to future Colonists.
